Developing Today to Influence Tomorrow

NHS PROCUREMENT GRADUATE TRAINING SCHEME

PATHWAYS 2 NHS PROCUREMENT

OVERVIEW

We are looking for influential individuals who want a career in procurement, delivering deeper value for money, in an ever-changing organisation.

If you believe that you can make a difference whilst undertaking a fulfilling career that maximises your procurement and leadership potential, then our 2 year training scheme, based on work placements, will be ideal for you.

You will be offered outstanding development opportunities which will challenge and reward you everyday.

WHERE IS THE SCHEME BASED?

We have a number of places on our National scheme, offering roles within NHS organisations across the whole of England; follow the application process to opt in for your preference of location.

Whilst you will be employed by a specific NHS organisation, this placement will allow you the opportunity to gain experience in different procurement areas and departments.

WHAT CAN YOU EXPECT FROM THE SCHEME?

- Career development from day one, with experience in different roles within procurement, e.g. buying and tendering, contract management, materials management, inventory control
- Two year NHS Band 4 contract
- Salaried role with full benefits package
- 27 days annual leave and pension scheme
- Study leave each week and full financial support
- Minimum of two rotations within the same NHS organisation or between partnering NHS organisations
- Technical skills development, via a fully funded internationally recognised procurement qualification – Chartered Institute of Procurement Supply (CIPS) Level 4 Commercial Procurement and Supply Apprenticeship
- Personal development opportunities through the NHS Skills Development Network
- Pastoral support through mentoring
- Peer support and development with other trainees
- End point assessment after 2 years -potential progression to band 5/6

QUALIFICATION TO BE GAINED

Whilst on the scheme, graduates will study for the CIPS Level 4 Commercial Procurement and Supply Apprenticeship

Commitment required:

- Your total qualification time is 600 hours.
- It is expected that you will undertake 250 guided learning hours.
- Additionally, CIPS recommend that you also commit to at least 335 self-study requirement hours.
- Total exam time 15 hours. All the modules in CIPS qualifications are assessed by an examination.

MINIMUM ENTRY REQUIREMENTS

- Qualifications - 2:2 degree as a minimum, achieved within the last five years.
- Experience - Some procurement experience would be helpful but not essential as full training will be provided.
- Skills - Excellent numerical, written, digital, communication and presentation skills.
- Personal Qualities - Desire to work in a values driven organisation, with the motivation and ambition to become a senior Procurement Professional.
- **All roles are open for applicants with a valid visa. In order to be eligible for the scheme, you must be living in the UK and have been resident in the country for at least 3 years (not for educational purposes) prior to the September start date.**
